

Normal People

In this puzzle 6 pairs of Irish Bridge players one male and one female have had their surnames swapped and an anagram has been made of the new names. The aim of the puzzle is to discover the 12 Normal People who started out. As an example, if we took ZIA MAHMOOD and RIXI MARKUS we could form ZIA MARKUS and RIXI MAHMOOD. Make anagrams of these and we get SUZI KAMAR and MAX HIRODIMO. To solve you turn each name into a different First Name and Surname. Then try and find a matching pair.

1. Peter O'Daly
2. Terry Chorn
3. Mandie Gill
4. Lance Seary
